

D. C. TRANSIT 1512

This car had to be one of the most outstanding PCC cars in operation anywhere. Originally built by St. Louis Car Co. in 1945, the car saw several rebuildings and renumberings. In 1957 the car was revamped into a special car known as the "Silver Sightseer" for touring our Nation's Capitol. It even boasted a lovely hostess to narrate the trip. 1512 is shown here passing Union Station, Washington, D.C. August 28, 1960.
